

For those looking for a remote Stations of The Cross (not *virtual*), please consider the following as ways of interacting with this Lenten practice. You might even pray them outdoors at LaSalette.

Remote Stations of the Cross Challenge

Set-Up You can pray the Stations with your family sitting in the living room, but for this challenge we're asking that you set up the 14 different stations. These could be rooms in your house, trees in your backyard, etc. You might print and hang up images like [these](#) showing the Stations, or just write a simple Roman numeral on a post-it for each Station, I through XIV.

Prayer Here are three options for prayers:

- Try this one if you have [younger kids](#) in your family.
- This one is great for families with [middle and high school](#) teens.
- There is also the [traditional version](#) by St. Alphonsus Liguori. Print it out or read from your phone/tablet.

Share Post a picture to the Facebook Sacred Heart Lifelong Faith Formation Group of your family praying at ONE of your Stations, along with a sentence or two about what you did. You may also email dffsheartlebanon@gmail.com or text Amy at 802-727-0647.

Prizes will be given to most creative Station locations (e.g., backyard shed being the 14th Station, *Jesus is Laid in the Tomb*).
