While the credits are running, we see some pictures that look like old art.

Why?

This is from the story of Noah's Ark in the Bible:

The Lord wiped out every being on earth...only Noah and those with him in the ark were left....

Noah released the dove from the ark. In the evening the dove came back to him, and there in its bill was a plucked-off olive leaf!

Then God said to Noah: Go out of the ark.

How is the story of Noah's ark similar to the movie?
